Subject:- Proposal received from Dr. Jochen Becker Ebel, CEO, MediAction on Geriatric and Palliative/End-of-Life Care training - regarding.

Sir,

I am directed to refer to your letters dated 9.10.2012/17.10.2012 on the subject noted above and to convey that the Ministry of Health and Family Welfare, Govt. of India has no objection to MediAction, Germany imparting a three to four weeks training for health professionals in Geriatric and Palliative/End-of-Life Care in India in collaboration with the premier institutions. You may like to sign an MOU with the concerned Institutes as per approved guidelines and follow the extant rules and regulations in the matter.

2. Further, for the training of longer duration, i.e. 3-WIN Project, the students may apply for the same through the normal process for seeking admission subject to fulfilment of all procedural formalities and visa regulations requiring them to return to India after undergoing the said special training. Subject to this, the Ministry has no objection.

4. This issues with the approval of Secretary (Health).

Yours faithfully,

 (S.K. Gupta)

Under Secretary to the Government of India
